# Covering kids with quality, affordable care.

Dear Parent:

As the New York State Catholic Health Plan, Fidelis Care wants to make sure that every student has access to quality, affordable health coverage. We're working with Diocesan schools to tell parents like you about **Child Health Plus** with Fidelis Care.

It is a special program that is part of the New York State-sponsored **Child Health Plus** program for children under 19.

Covered benefits include:

- Doctor visits • Checkups • Dental and eye exams • Immunizations • Hospital care
- Emergency care • Prescription drugs

Depending on your income and household size, **Child Health Plus** with Fidelis Care may cost very little or nothing at all. You can choose your child's own doctor from the Fidelis Care network – a healthcare professional in your neighborhood you know and trust. A happy, healthy child is life's greatest gift.

If your child needs health insurance, please fill out the card below or call 1-888-FIDELIS (1-888-343-3547) • TTY: 1-800-421-1220. Fidelis Care is here to help.

Please tear off and return to:  
 Fidelis Care  
 8 Southwoods Boulevard  
 Albany, NY 12211  
 or fax to (518) 427-9584

Some children who had employer-based health insurance within the past six months may be subject to a waiting period before they can enroll in Child Health Plus. This will depend on your household income and the reason your children lost employer-based coverage.
